

Journeyman Carpenter/ Lead Carpenter
Elite Custom Builders - Bridgeport, WV 26330

At ECB we are looking for a competent Journeyman Carpenter/ Lead Carpenter to assist in operations and help oversee workers at construction sites. As the point of reference of both workers and supervisors, you will be a key person for the completion of a project.

A Journeyman Carpenter/ Lead Carpenter has a solid background in the field. Your leadership skills and your extensive experience have earned you the ability to complete your own work while helping to direct the work of others and make quick decisions. You must be well-organized, hands on, and favor safety above everything else.

Responsibilities

- Self-starter able to work independently
- Ability to coordinate tasks according to priorities and plans
- Help allocate general and daily responsibilities
- Supervise and train workers and tradespeople if required
- Ensure all safety precautions and quality standards are met
- Ensure the use of machinery and equipment is proper
- Resolve problems when they arise
- Report on progress to foreman, managers, engineers etc.

Requirements

- Proven experience as carpenter in lead and/or journeyman role
- In-depth knowledge of construction procedures, equipment and OSHA guidelines
- Basic understanding of electrical/plumbing systems
- Ability to read drawings, plans and blueprints
- Good organizational and leadership skills
- Ability to communicate and report effectively with co-workers and management
- Problem-solving abilities
- Good physical condition and stamina
- High school diploma or diploma in a skilled trade (electrician, carpenter etc.)

Job Type: Full-time

Hourly rate: \$13.00 to \$20.00 /hour or depending on experience

Required experience:

Carpentry: 3 years
